ICE GOING UP

Local Dealers Raise Prices Owing to
High Cost of Living.

By agreement of local ice dealers,
the price of ice has been advanced
and will stay at the quoted price un-
til further notice. Reasons for the ad-
vance are attributed to the high cost
of living. Owing to raise in price
of grain, and the high cost of
labor, the dealer deems it wise to
make the advancement.

The new prices are published in an
other column.

IN NORWICH FOR 1917
—Mayor Allyn L. Brown.

The year of 1916 has been one
of general and increased business

zens to pay for those things which
insure further commercial and civic
progress. May this progress con-
tinue in Norwich for 1917 and may
all of the municipalities of East-

more their inter-dependence, de-
velop an ever stronger spirit and
plan of co-operation to a similar
end.

CHARLES P. BUSHNELL
ELECTED PRESIDENT.

Milkmen of New London County Form
Organization.

Charles P. Bushnell of Norwich was
elected president of the New London
County Milk Producers' association
which was organized in this city on
Saturday at 1 o'clock in the evening.
The meeting was well represented by
the milkmen of the county and was
called to order by Charles P. Bush-
nell, president of the New London
County Improvement league.

Warren Jewett of Worcester, Mass.,
representing the New England Milk
Producers' association, gave an address
and stated that he had 40 cows and
milked 10 that morning before he left
his home to come to Norwich. He
said he had been in the business 40
years and that only two days in the
40 years had his route been missed,
and he is interested in all lines of
dairy.

"I feel the time has come for the
farmers to organize to get a suitable
price for their milk, but it is not
today and the profit is not what
it should be." Continuing he said he
could remember when \$12 was paid
for a quart of milk. He believed that
the matter of securing suitable
help is a difficult one now that bet-
ter jobs are being offered than in
the past.

The officers elected are as follows:
President, Charles P. Bushnell; sec-
retary, J. Kellogg Hall, Preston;
second vice president, G. H. Morgan,
Salem; treasurer and treasurer, C. J.
Abel, Lebanon.

Secretary and Treasurer Abel was
authorized to secure subscriptions to
membership in the association. He
reported that he had secured 52 ad-
ditional members.

The delegates elected to attend the
Boston meeting of the New England
Milk Producers' association were
Charles P. Bushnell, J. Kellogg Hall,
G. H. Morgan, C. J. Abel, and
Elisha Waterman.

The suggestion that a membership
committee be appointed from each
town was adopted after electing the
following: Charles P. Bushnell, Nor-
wich; J. Kellogg Hall, Preston;
G. H. Morgan, Salem; C. J. Abel,
Lebanon; Henry J. Kendall, Lis-
bon; J. P. McCarthy, Norwich; A. P.
Dennett, Preston; J. F. Brown, North
Stonington; Lloyd Ayer, Franklin;
Terrance Coughlin, Baltic; C. J. Abel,
